To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,

Secretary to the Government of His Highness

Sir,

With reference to your letter No.2498/M.361-22-2 dated the 14th March 1923 requesting further information regarding the construction of a mosque in the compound of Husanie Ashurkhana in the Ragi Mandi Street, Mysore, I have the honor to forward herewith copy of letter No.145 of 22-23 dated 28th March 1923 received from the Deputy Commissioner, Mysore District, explaining the circumstances under which the grant of permission to build the mosque on the site already selected was recommended. As the petitioners have agreed to a slab being put up accepting non-stoppage of music, and non-burial, the Deputy Commissioner's proposal may be accepted.

The vernacular records received with the above letter are also forwarded for reference.

I have the honor to be,

Sir,

Your most obedient servant,

D.N.

Letter No.145/22-23 dated 26th March 1923, from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.1335 dated 20th March 1923 in the matter of the construction of a Mosque in the compound of the Hussaini Ashurkhana in Mysore by the Shia community, I have the honor to state as follows:--

2. It is believed from the petition of the applicants that it is their desire to build the mosque in the compound of the existing Ashurkhana situated in the particular locality in question. Further it is not clear how it will be feasible to select a site in respect of which there will be no question of stoppage of music. Even should the building be constructed anywhere away from the City, the condition of stoppage of music will have to be specifically settled and placed on record, in-as-much as though the point may not be of importance now, it is necessary to provide for all future contingencies. I am therefore of opinion that the question of the selection of a different site may not be of any practical value. For this reason, I have not considered it necessary to consult the applicants on the point mentioned in your letter under reply.

3. In view of the foregoing circumstances, the permission asked for may, I am respectfully of opinion, be granted on the conditions already reported in my letter of the 20th February 1923.

4. The records received with the above are herewith returned.".
